In the fiscal year 2017-2018 we will use the every two week payment procedure.

Payroll will be every other Friday (unless Friday is a Federal Reserve Bank Holiday then payroll will be on Thursday)

Teachers who have elected to be paid over 12 months will be paid their contracted amount in 26 equal installments beginning September 8, 2017 and ending August 24, 2018

All other Teachers will be paid their contracted amount over ten months, 21 paychecks beginning September 8, 2017 and ending on June 15, 2018.

Contracted Administrators, Directors and Mid Level Managers will have their contracted amount paid in 26 equal installments beginning on July 14, 2017 and ending June 29, 2018

If an above listed employee would have an unpaid day, that day will be docked from the next check.

All regular hourly employees shall submit their TrueTime time sheets weekly after their last day worked and when all benefit time has been approved and is showing on the time sheet.

All hourly employees will receive paychecks for hours worked within the dates listed for that paycheck.

The monthly employee deduction for insurance will be divided between two paychecks, so the amounts from the two checks will equal the monthly employee portion.

Insurance premiums will not be taken on the third paycheck of any given month unless to make necessary adjustments.
