

ARE YOU LOOKING FOR A CAREER IN A FAST-PACED INDUSTRY?

Concrete is the most widely used man-made material in the world. Drivers who transport ready mix concrete are vital for the growth of the economy. And unlike over the road haulers, ready mix drivers have the benefit of being home every night.

A ready mix driver is responsible for transporting freshly mixed concrete from the batch plant to the job site in a safe manner. Drivers are the front-line salesperson for their company and get to travel to different job sites every day. Drivers receive great wages and benefits and have the opportunity to grow within their company.

Benefits

- Home every night instead of driving over the road
- Vast diversity of projects keep job ever-evolving and rarely redundant
- You can begin driving right out of high school with very little training or cost
- Construction companies promote growth from within - you can advance within a company
- Technology is a large part of the industry = if you are tech-adaptable you will succeed quickly
- You can be a part of infrastructure growth (build bridges, stadiums, buildings, overpasses, farms)
- Work good hours in the summer with a chance for overtime hours
- Competitive Wages
- No college debt = good earning potential right out of high school
- Diversity of opportunity within construction market = easy to remain interested in opportunities presented

Job Requirements

- Work with management and supervisors to deliver a quality product to customer
- Operates vehicles and maintains personal safety in accordance with Company, FMCSA, and OSHA policy guidelines
- Performs daily pre-trip and post-trip inspections on truck and related equipment for operation and safety
- Uses sound judgment when setting up equipment on job sites that may be dangerous for the operator, equipment or other personnel
- Reads and understands delivery tickets, especially with regard to delivery location and types and quantity of materials to be delivered
- Ability to deal with customers in a diplomatic matter, in a variety of situations

Qualifications

- Must have High School Diploma or GED equivalent
- Must have safe driving record.
- Must have Wisconsin Class B Commercial Driving License
- Must be able to pass a pre-employment drug and alcohol screening to be considered. Once hired, random testing does occur annually
- Must have a positive attitude, strong work ethic and strong customer service skills
