Dear Parents and Guardians,

This letter is to inform you that we are aware of the [Press Release](#) put out by the La Crosse County Health Department today announcing that they plan to discontinue the use of the Coulee Compass and will have a new community-based process in collaboration with local health care providers.

We understand this brings up more questions than answers. Please know we will continue to work diligently as we wait for guidance and anticipate having more information from the county after their scheduled press conference this Friday, August 7.

Sincerely,

Todd L. Antony  
Superintendent
