Dear Parents and Guardians,

As part of the [District's Reopening Plan](#), we are establishing a dashboard to provide the community with current information on the impact of COVID-19.

The dashboard will be updated each Wednesday and posted on the [district website](#). The information provided will be utilized to make decisions related to moving between virtual and in-person learning. Current information will be looked at this week and next before a decision will be made concerning October 6th programming.

Thank you,
