The Onalaska Band Booster Organization is dedicated to supporting the Onalaska High School Hilltopper Band. The band consists of approximately 150 students. Students perform in both Marching Band and Concert Ensembles and many students also voluntarily participate in Pep Band, Jazz Ensembles, and Show Band. In addition to these regular activities, band members often also perform at community functions such as the Freedom Honor Flight's Welcome Home and Reunion events, Rotary Lights, and Steppin' Out in Pink. Each spring we host our annual Big Band Ball event. This event historically includes five hours of jazz music, a nice meal, and an online auction fundraiser. The 2021 online auction will run from Sunday, April 4th at 7am and conclude on Saturday, April 10th at 8pm. Thanks to the continued generosity of our donors, we will have some great items to bid on!
